Steve opened the meeting and welcomed those in attendance.

Steve made a motion to accept the minutes as written from July 31, 2018 jimmy 2nd 4 in favor. Motion Approved

The PTC wanted to plant a tree on town property that can grow and be decorated at Christmas time. After some discussion, they will use the tree in the front of the town office.

Jimmy talked about what ordinances we have in place that may allow a small chain store to build in Stratton/Eustis. Would there be any way to prevent them from building in this area? Peter went over the areas of possibility that one could build in. To be talked about with the Planning Board.

The street light in front of Kenny Targets house stays on all the time. Call CMP and report it. Discussion about reducing the amount of Street lights that we have. At the next selectmen meeting August 28, 2018 there will be a discussion about possibly reducing the amount of street lights that we have turned on. Rachel will post on website and sign to warn people of the discussion.
