Justin made a motion to accept the minutes as written from the December 12, 2023, meeting, Linda 2nd Steve, Justin, & Linda in favor motion passed unanimously.

Rachel went over the few changes so far in the budget for next year.

Steve made a motion to raise 10,000 for municipal building maintenance instead of appropriating it from surplus, Justin 2nd. Steve, Justin, & Linda in favor. Motion passed unanimously.

Justin brought up that we were the only town to not open an emergency shelter for the people that were stranded in our town. This is not easy to do if only one person is trying to do it. Board would like to have a conversation with Sprague and have a committee of 5 people with most of them living within the bridges to have many hands to help open and run an emergency shelter.

The board reviewed a Returned check policy from the Town of Hollis, has some changes to make our own returned check policy. Rachel will type this up and have it ready for the next morning.

Steve spoke about the snowmobile trails and how they held up after the storm. 3 Culverts is w huge hurdle to overcome to have trails to Lexington and Kingfield. There is a meeting in Strong on 12/28/2023 to discuss how to move forward to have a snowmobile season this year.

Mike Cain came in and gave us his keys and uniforms after his last day. He was not released from workers comp, so they will still be paying him. MMA requested a bit of information and his application. Rachel will send over what is needed.

All town and water dept warrants were signed.
