### **Old Business:**

Barry London was on Zoom to discuss the increase in the school budget. Tuition Student revenue was much higher in 21-24 Now the number of tuition students is decreasing as well. The number of students we are paying for tuition to go to the High school is increasing. Using Plan B using \$300,000 to offset the increase for the town. Barry will come to the next meeting and discuss what more he has learned.

Dot needs a waiver for them to transport over the limit loads while doing a job in our area. They have sent a form for the board to sign. The Board signed the form.

### **Selectboard Updates:**

The impact from the new border crossing construction will affect the roads and where they will be living while doing the work.

The town needs to start thinking about housing. Affordable housing not low income. This is a serious problem.
