Old Business:

Barry London School Budget increase discussion and future of our school and children. Barry has been working hard at the school budget. He is not just looking at this year but the long term of our school. There are many unknowns about what will happen with the schools in MSAD 58 and he wants to make sure that there is a high school plan for the Stratton School children. He has been talking to the nearby superintendents and looking to see what others are doing. He will be going to meet with the Carrabassett school Board to discuss the funding they provide to our school.

New Business:

Ryan Cowper and Will Schnorr came to discuss the possibility of the Moose Lottery drawing held in Stratton in 2026 or 2027. Infrastructure would be a major part of this event. They need the support from the town. Rachel will write a letter for the board to sign in support of this event. There is a committee that votes on where to have the drawing. Ryan and Will have a meeting with them on the 30th to discuss the support and how to make this happen.
