Site Visit:

The meeting began at the Town wood lot at 4:30 pm on John's Road on Eustis Ridge. Steve St. Jean, Tim Richards, Carol Sherrier, Linda Marzelli, Rachel Williams, Peter Farnsworth, & Gary Mayo were in attendance. Peter informed the board about the land, what and why wood has been cut down, and what it's worth is. There was a discussion with Gary about the price the town gets for the wood. He is concerned that we cannot get any money for the pulp and that we aren't getting a good enough price for the wood.

The site visit ended 5:30pm and the Select board meeting starts at 6pm.

Steve called the meeting to order and welcomed those in attendance.

Tim made a motion to accept the minutes from the meeting on September 16, 2025, as written Steve 2<sup>nd</sup> Steve, Tim, Jeff, Linda, & Carol in favor. Motion passed unanimously.

Old Business:

There was a lot of discussion about the Town lot on Eustis Ridge rd. This logging is a continuation of the contract from last year. The board listened to Gary Mayo's concerns about the amount of money the town is getting for the logging of the lot. After considering the wood on the lot, and the plan for the lot, the board has decided they will continue with the contract as is with Chris Burbank.

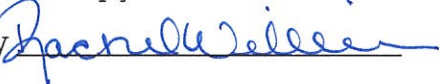

Selectboard Updates:

Steve expressed his concerns again about the new Port of Entry that they will be building in Coburn Gore. This will increase the amount of traffic driving on the roads due to construction and the increase in the number of people using this Port of Entry. Steve is working with Bob Carlton to make them see that this will have an impact on the roads in our area. He will keep the board updated as he gets more information.

All Town and Water Dept Warrants were signed

Steve made a motion to adjourn the meeting. 2<sup>ND</sup> Steve, Tim, Jeff, Linda, & Carol in favor  
Motion passed unanimously.
