Leah Gave update on the little league field. It is getting close to being complete. It took a lot of hands to make this happen in honor of Alison Pepin. New shed at the campground for storage of summer rec equipment has arrived. It will be better than it was before. Custom shelves and racks for life jackets. Family Fun Days is this weekend. It has been a struggle this year for volunteers and donations. After this weekend the town will reevaluate if we can continue this tradition. Shed at the Park is being locked. We have one pickleball net out and a few balls out to play with. But sadly, yes, the shed has to be locked so our equipment is not destroyed.

At the next meeting Rachel will propose changing when we have our meeting with our department heads for the budget to the end of the year and not wait until January.

Deputy Clerk Applications will be reviewed at the next meeting.

Steve made a motion to adjourn the meeting, Tim 2nd Steve, Tim, Jeff, Linda, & Carol in favor. Motion passed unanimously.
